

SONICLEAN™

SO EASY - SO FAST - SO CLEAN

Ultrasonic Accessories

Soniclean provides a large selection of Cleaning Detergents and Accessories for the complete range of its ultrasonic products. The range of detergents have been specifically formulated to work in harmony with the Soniclean range of Ultrasonic Cleaners. They have been tested and refined to give the best outcome for Soniclean's machines.

The range of accessories have been developed to meet customer needs for many and varied applications. They include ultrasonic performance meters, lids, baskets, trays, purpose-designed holders and beakers – see the complete list overleaf.
