

Declaration of Conformity

According to Article 10 of Council Directive 89/336/EEC

We, SONICLEAN PTY LTD declare that the following models:
80TD, 120TD, 160HD, 160TD, 250HD, 250TD, 500HD, 500TD, 800D, 800HD, 800TD, 1000HD, 1000TD,
2000HD, 2000TD, 3000HD, 3000TD, 3800HD, 3800TD, **S-2800 Ultrasonic Irrigator,**
Ultrasonic Washer De-contaminator Lifter. Details as per brochures www.soniclean.com.au

manufactured at one of the following SONICLEAN PTY LTD manufacturing sites:

SONICLEAN PTY LTD
38 Anderson Street
THERBARTON SA 5031 AUSTRALIA Phone +618 8234 8398 Fax + 618 8234 8391

SONIC SOLUTIONS
13 Lorong 1/1 Taman Bukit Indah
SEREMBAN 70300 MALAYSIA Phone +606 131 6133 Fax 606 632 7507

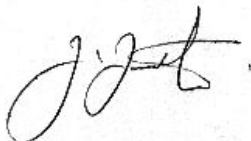

is in conformity with the protection requirements of Council Directive 89/336/EEC Electromagnetic compatibility and Council Directive 73/23/EEC Low Voltage Safety.

Based upon compliance of the product are the following harmonized standards which meets EMC compliance:

Emission Standard Residential, Commercial and Light Industry			Immunity Standard Residential, Commercial and Light Industry		
RF Conducted and Radiated Emission	EN55011 and CISPR 11	March, 2004	Electrostatic Discharge	EN 61000-4-2	September, 2004
Harmonics & Current Emission	EN 61000-3-2	July, 2004	RF Radiated	EN 61000-4-3	October, 2004
Voltage Fluctuation & Flicker	EN 61000-3-3	July, 2004	RF Fast Transient	EN 61000-4-4	September, 2004
			Surges	EN 61000-4-5	September, 2004
			RF Common Mode	EN 61000-4-6	October, 2004
			Voltage Supply Variations, Dips and Interruptions	EN 61000-4-11	September, 2004

Additional compliance meeting self-certified CE requirements for Medical Device Class I
Council Directive 93/42/EEC

Safety requirements for Electrical Equipment, Control and Laboratory Use	EN 61010-1	November, 2012
Safety requirements for Electrical Equipment, Control and Laboratory Use	EN 61010-2	N/A
Risk Management	BS ISO EN 14971
